

Dear Hunting Enthusiast,

First of all, thank you for supporting Pheasant Bonanza. Without our members, past and present, our club would not be where it is today. We are excited to announce our membership fees or prices have not gone up and as always our memberships are companywide (except bronze). If you put a membership in a business's name it is good for all staff of that company. The designees cannot charge to the account without prior approval but they benefit from the discounts and privileges.

The Pheasant Bonanza Team is very excited about all we have to offer this upcoming season. From the third season in our waterfowl blinds to the third full season with our Orvis Endorsed wing shooting lodge. We have been working hard to provide a facility that surpasses your expectations. We have spent the off-season training staff, working on our habitat and clay course, as well as expanding our hunting grounds. It is our intent that these changes will make your time here more enjoyable and our work more efficient.

Keep in mind Pheasant Bonanza has dissolved the Bronze Membership as of 12-31-14. However, if your Bronze membership is current for 2017-18, then please call to inquire about renewing your Bronze Membership for 2018-19. If you let this expire, we cannot allow you to rejoin at the Bronze level. The new Bronze is the 28g membership.

We are still offering a social membership for you or your company if you aren't interested in hunting but still want to utilize our facility for food, beverage, or lodging you can join at just \$100 for the year. With the social membership you can book food & beverage services with a minimum of 4 guests and you can book rooms anytime we have availability. You will also receive the non-peak season discounts in addition to the 10% discounts.
